

DA-IICT

Notification of Committees

The Director, DAIICT, Gandhinagar, hereby constitutes a committee to carry out the task of curriculum review of BTech-ICT program of the institute.

The **mandate** of the committee is to revise BTech-ICT curriculum in the light of suggestions made by the international authorities such as IEEE and ACM. The committee is expected to accept suggestions from all stake holders of the institute. A curriculum that is the need of the time and would be appreciated both by academia and industry is expected to come out. The committee is expected to table the revised curriculum for the feedback from the faculty body by the end of October 2015.

Date: July 20, 2015
