Memorandum of Understanding
Between
Ramakrishna Sarada Sevashram (RKSS)
(Vivekananda Tribal Hospital-VTH)
and
Dhirubhai Ambani Institute of
Information & Communication Technology (DA-IICT), Gandhinagar

I Preamble

The objective of the present Memorandum to develop the academic and scientific relations between RKSS-Vivekananda Tribal Hospital (VTH) and DA-IICT in identified areas where there is mutual interest in establishing specific working collaboration.

RKSS-VTH recognizes the importance of utilizing latest developments in the field of Information and Communication Technology (ICT) for upgrading the skills of its personnel and enhancing their academic qualifications. DA-IICT recognizes the importance of strengthening its graduate programs by admitting sponsored candidates from organizations of national importance. RKSS-VTH and DA-IICT jointly recognize the importance of improving their research output in fields of common interest.

II Scope of Collaboration

RKSS-VTH agrees to sponsor suitable candidates to the PhD program at DA-IICT. DA-IICT agrees to admit the candidates nominated by RKSS-VTH as sponsored candidates, provided they fulfill the eligibility conditions. VTH agrees to permit its staff members to Jointly supervise (Joint guide) the research/project work of students of DA-IICT and to provide them access to facilities and data which are not otherwise restricted. Furthermore, RKSS-VTH agrees to permit its staff members to conduct specialized courses, independently or in collaboration with faculty members of DA-IICT, for Ph.D. students of DA-IICT. RKSS-VTH and DA-IICT agree to develop and support joint research projects in areas of common interest.
